and Quality Assurance**

Webinar

by Prof Kirti Menon

AI and You: Thinking about Teaching and Learning

The purpose of this webinar is to facilitate critical reflection and knowledge sharing on how Artificial Intelligence (AI) is reshaping the way you teach, curricula design, and support student learning. It aims to raise awareness of the opportunities and challenges AI presents in higher education, while encouraging participants to think strategically and adaptively about their own teaching, learning, and curriculum development practices in an AI-enhanced era.

About the Speaker

Professor Kirti Menon is the Programme Director for the University of Johannesburg - Department of Higher Education Future Professors Programme Phase 2. Until 2024 she was the Senior Director of the Division for Teaching Excellence at the University of Johannesburg. Prior to this she was Registrar at the University of the Witwatersrand from 2011 to 2013, Acting Deputy Director General: Universities from January 2010 until June 2011 in the Department of Higher Education and Training and Chief Director: Higher Education Planning and Management at the Department of Education from 2008.

Prof Menon worked for the Council on Higher Education between 1999 and 2008 and has served on several national task teams and her research focus in access, exclusion and redress in higher education. She is a Research Associate affiliated to the UJ Faculty of Education and is widely published in the field of higher education, curriculum transformation, social exclusion and access. More recently, her publications include a focus on the impact of COVID-19 on higher education.
