# Health Announcement

## 5<sup>th</sup> Pap Smear and Breast Examination Clinic 2023

The **NUST Health Services** in conjunction with the **Cancer Association of Namibia**, will conduct a clinic on pap smear and breast examinations.

The objectives are to inform women that:

- Cervical cancer can be detected by a pap smear test and if diagnosed early, it can be cured;
- Regardless of age or marital status, getting tested annually is necessary if one is sexually active;
- Breast lumps can be treated, if detected early; and
- Testing can detect the type of infection present in the vagina.

**Date:** Tuesday, 05 September 2023

**Time:** 08:00 - 12:00

**Venue:** NUST Health Services (clinic), NUST Main Campus

**Donations:** *Students* - N\$ 20 and *Staff members* - N\$ 100

[Proceeds will be donated to the Cancer Association of Namibia]
