Insight Seminar Series

Introduction to EndNote - Managing Your References with Ease

Are you struggling to manage your references and citations efficiently? Join us for an insightful seminar on "Introduction to EndNote – Managing Your References with Ease."

This seminar is designed specifically for NUST postgraduate students, researchers, and academic staff who want to streamline their referencing process, organise citations effectively, and enhance their research writing with EndNote - a powerful reference management tool.

Facilitator: Dr. Tertu Shiweda, Head: Faculty and Research Support Library

What You Will Learn:

- Introduction to EndNote - Understanding its features and benefits
- Importing and Organizing References - Keeping track of your research materials
- Citing While You Write (CWYW) - Automating citation insertion in MS Word
- Managing Bibliographies - Customising reference styles and generating citations effortlessly
- Common Pitfalls and Best Practices - Avoiding errors in reference management

03 April 2025

Time: 13h00 – 14h00
