

2026 Institutional Research Week Lingathon

Namibia Speaks: The Translation Challenge

Your language. Your voice. Your contribution

Join the UNESCO Chair in Digital Technology Design with Indigenous Peoples at NUST during the Institutional Research Week

27 – 30 October

*Play your part in translating
Namibia's Indigenous and local languages!*

Bring your language skills to help translate texts between Namibian languages and English, grow multilingual resources and preserve our linguistic heritage.

Students, young people and language enthusiasts get involved!

Fun prizes to be won!

Registration deadline: 21 October

Register online: <https://tinyurl.com/LingathonIRW>

*NamTalkies: A collaborative digital sanctuary for Namibian languages,
built by the communities who speak them. : <https://www.namtalkiescrowdsourcing.com/>*
